28 Nov 07 Topic

System Development Cost Estimation Techniques - the Pros & Cons

Wed, 28 Nov Agenda

- 5:30 Networking Social (snacks!)
- 6:00 Chapter Meeting
- 6:15 Guest Speaker

If attending, please RSVP to Mark Kanko at kanko_mark@bah.com

Dr. Chris Abts, co-creator of the COCOMO II software cost model, will lead us through an informative discussion of a variety of cost estimation techniques, beginning with the earliest practices up through today's most cutting-edge approaches.
