15 Jan 08 Topic

## *An Introduction to Six Sigma*

Mr. Eric Stephenson will present an introduction to Six Sigma which will address a number of questions including: What is Six Sigma? What are the basics? How does Six Sigma differ from other quality frameworks? How can Six Sigma and Systems Engineering benefit each other?

*Please join us!*

Meeting Location: **4241 Piedras Drive East, Suite 200, San Antonio, Texas 78228**  
(Parking lot and building entrance are on northwest side of building.)
