

15 May 08 Topic

Value –Focused Thinking and System Architecting

www.incose.org/alamo

Thurs, 15 May Agenda

- 5:30 Networking Social (snacks!)
- 5:50 Chapter Meeting
- 6:00 Guest Speaker

If attending, please RSVP to Mark Kanko at kanko_mark@bah.com

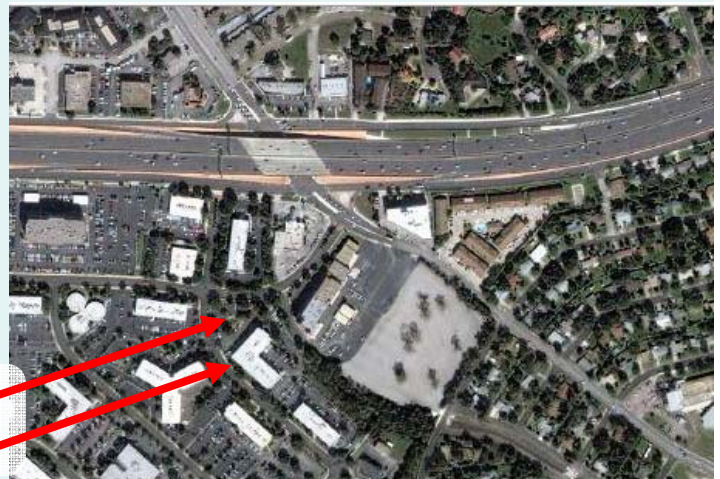

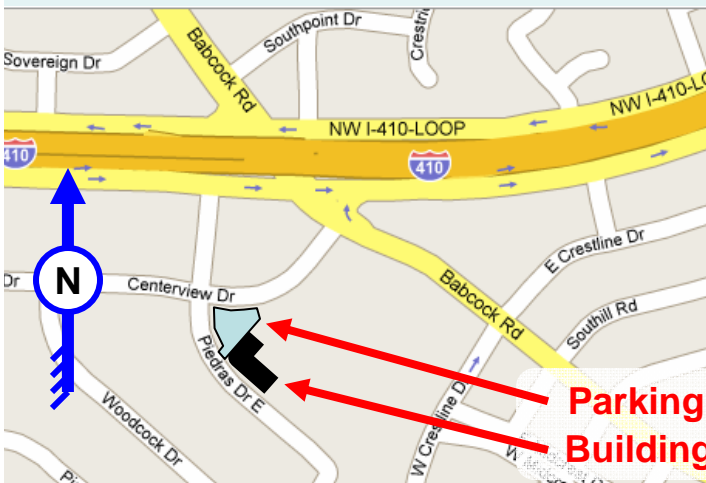

Chris Askew from Lockheed Martin will talk about how Value-Focused Thinking can improve the quality of system architectures, by bringing together engineering and business views.

This will be a joint meeting with the North Texas INCOSE Chapter.

Please join us!
