

*The South Jersey Human Factors and Ergonomics Society Presents*

# **HUMAN FACTORS IN COMPLEX SOCIOTECHNICAL SYSTEMS CONFERENCE**

Keynote Speaker: *Dr. Raja Parasuraman, George Mason University*

**FAA William J Hughes Technical Center  
Atlantic City International Airport, NJ**

April 28 - 29, 2005

The conference is an opportunity for human factors researchers and practitioners working with complex systems to share research ideas, designs, techniques, products and the lessons learned. Programs include research papers, posters, and panel discussions. In addition to local attractions there will be technical tours of FAA facilities and laboratories.

*Submission Deadline: February 14, 2005*

*Registration Deadline: March 18, 2005*
