

Delaware Valley Chapter

Serving Systems Engineering professionals in the
Southeastern Pennsylvania, Northern Delaware, and Southern New Jersey areas

Science Enablers of Systems Engineering SIG

The next meeting of the SESE SIG will be June 19th, 2008 at the Lockheed Martin Technical Center Facility in Mount Laurel New Jersey in Building 770 in the Video Teleconferencing Center (770-1 VTC). This SIG is supported by Lockheed Martin and the Delaware Valley Chapter of INCOSE (International Council on Systems Engineering). The meeting is open to all interested Lockheed Martin personnel and members of the INCOSE Delaware Valley Chapter. **The topic for the evening will be "Swarming" with a review of how the Air Force planned to test its applicability. Presenter is Paul Giovanni.** Please RSVP via email to Paul Giovanni (see contact information below) by the close of business June 17th.

The following is a list of dates for the following five meetings: July 17th, August 14th, September 18th, October 16th, and November 20th. There is no meeting in December for the holidays. The agenda will be the same as that below for all meetings.

Agenda

- 7:00 p.m. – Meet and Greet
- 7:30 p.m. – Presentation
- 8:30 p.m. – Discussion on SIG related matters
- 9:00 p.m. – Meeting Ends

Location

Lockheed Martin Technical Center, 770 Centerton Road between Hartford Road and Creek Road across from Laurel Creek Country Club.
