(847) 304-4466

Abstract

Please join the INCOSE Chicagoland Chapter for our 8th annual Holiday Social/Networking Event at Gino's East in South Barrington on Thursday, December 21, in lieu of our regular chapter meeting. We will recognize our 2017 and 2018 leadership teams, celebrate our accomplishments, and look forward to another successful year. There will be plenty of food and drink provided, so register today! **Bring a colleague who is not an INCOSE member** and help us spread the word about INCOSE!

About Our Sponsor

IBM offers a number of systems engineering and product lifecycle tools, including the Rational family of products (requirements management, modeling (systems and software levels) change/configuration management, validation/verification and document publishing solutions, among others) on the Jazz platform. IBM has partnered with INCOSE Chicagoland Chapter since the Chapter's inception.
