# Chapter Meeting

**Who:** INCOSE Cleveland-Northern Ohio Chapter

**What:** ReCap of INCOSE's MBSE Workshop 2012

**When:** Tuesday, February 21<sup>st</sup>

Registration @ 5:30 PM

**Where:** Marriott, Cleveland Ohio (W.150 & I-71)

**Guest Speaker:** Presentation during dinner at 6:10 PM

### Meeting Topic:

*Model Based Systems Engineering becoming mainstream*

### Presenter's background and abstract:

The chapter graciously invites its membership and guests to hear about the emergence of model based systems engineering (MBSE) and INCOSE initiatives guiding its development. Please join us in the Airport Marriot's AMP150 Restaurant, <http://amp150.com>, for a technical presentation that will focus on the efforts of INCOSE and others to advance the use of MBSE in aerospace and non-traditional business sectors.

Dennis Rohn of the NASA Glenn Research Center will share some of the knowledge he has gained regarding MBSE

Mr. Dennis Rohn is Chief of the Systems Verification and Operations Branch at the NASA Glenn Research Center. He leads a MBSE sub-team for the NASA and champions the use of MBSE at the Glenn Research Center. He is also active in INCOSE both locally and internationally, participating in past INCOSE MBSE Workshops and leading the Space Systems Working Group to participate in INCOSE's MBSE Challenge efforts.

**Note:** The INCOSE members and non-members are all welcome to the local chapter meetings in the Cleveland Metropolitan area. **The meetings are open to the public.** For those in attendance, food & beverage purchases may be made. It is requested but not necessary that everyone attending use the following link to RSVP. <https://www.research.net/s/INCOSE-RSVP>
