Registration/Prepayment Required: See Eventbrite link in email announcement or at <http://www.incose.org/cleveland/>

Description: Welcome aboard to you and your guests! Please join us as we take an opportunity for the July 2014 Chapter Meeting to Network and Socialize with other Systems Engineering Professionals aboard Cleveland's renowned Goodtimes III. The ship will leave the dock at 6PM returning approximately 9PM. Please arrive at 5:30PM to be in time for departure. A buffet style dinner will be served along with Dessert, Coffee, and Tea. The Captain will provide a historical tour along the Cuyahoga River. This event is concurrent with the AIAA and EnergyTech 2014 conferences. Some of the speakers from those conferences will also be aboard, allowing opportunities to meet Systems Engineers from other parts of the globe.

Note: If weather is raining, there will be canvas shields allowing the cruise to continue. For emergency weather, the cruise could be cancelled.
