

Date and Time:

Wednesday, October 15, 2003 at 4:00 PM MDT

Location:

Los Alamos Technical Associates (LATA)
2400 Louisiana Blvd NE # 200
505-884-3800 - Curt Harris

LATA is located directly east of Coronado shopping center directly across Louisiana Blvd. NE in a four-story building that has a four foot blue frieze displaying the LATA logo. Entrance is on the southwest corner of the building. It is on the 2nd Floor, in the Large Conference Room.

Attendees:

Regina Gonzales, Francis Peter, Bob Pierson, Duke Buster, Scott Joyce, Eric Fosshage, Curt Harris, John Wirsbinski, Gary Bender

Business:

Speakers

- o November speaker is John Nallon from SLATE. Regina will get information out about this speaker.
- o Eric will set-up the location and logistics for the December. We are planning a social event that includes a poster display opportunity that companies represented in the chapter.

Logo

- o Need a volunteer for taking the three top concepts and develop a draft visual to present to the membership Southwest Geometric Patterns, Hot Air Balloon, and Mountain/Mesa Outline.

Web Page

- o Francis Peter can host a single web page at MSI, but will check on the possibility of having the INCOSE National Organization host it.
- o We will have the schedule of speakers, officers, mission, etc. and stories submitted by the membership

Status of the Enchantment Chapter

- o Francis Peter contacted Shirley Bishop. There are 9 people on the waiting list to become a part of the Enchantment Chapter and 35 people located in New Mexico. He will contact the people in NM that are not currently on the waiting list and ask them if they want to become a part of the Enchantment Chapter.

Distributing Questionnaire for Interest

- o Regina still needs to circulate the questionnaire that is provided in INCOSE Starting a Chapter package In order to get some planning done for next year.

Nominating Permanent Officers

- o Chapter members should send their nominations to Curtis by November 15th. We will vote on officers in November.

Speaker – AFIT

Lt. Col. James Lott, Air Force Institute of Technology (AFIT) professor, will be speaking on Wednesday. He will discuss the partnership we at AFRL are trying to establish between our Air Force graduate school, AFIT, and the University of New Mexico. He will discuss our latest efforts of bringing the AFIT Systems Engineering certificate courses here to the KAFB area. Finally, he will lightly touch on AFIT's establishment of the Center for Systems Engineering under the direction of the Secretary of the Air Force, Dr. James Roche. More information regarding the Center can be found on AFIT's website at www.afit.edu.

Next Meeting:

November 19, 2003 at 4:00 PM is the next meeting

Adjourned at 5:30 PM.
