Report & Discussion

<http://www.incose.org/symp2009/> A related question is: Does HRA want to be involved as in IS07, and if so how?

John was officially informed verbally by an IS spokesperson that an 8-hour version of the INCOSE SE Handbook Tutorial has been accepted for presentation at the IS (referred to as the "as-is" version). Formal acceptance letters will be sent out by 13 February, with a signed commitment letter due back from John by 28 February.

However, the as-is compensation is only a free registration for the IS.

John pointed out to the IS spokesperson that the proposal that he submitted to the IS Committee was the 16 hour version and included the stipulation that the IS Committee fund him on a break-even basis including all his travel expenses, teaching labor cost, and travel labor cost, by charging a registration fee like they did at IS07 (referred to as the "to-be" version). John also told the spokesperson that Northrop Grumman policy was not to fund foreign symposia, and that he could not fund it himself.

The IS Committee considered the to-be version, and the spokesperson told John that they rejected it because they don't have the resources (personnel) to support it. However, the IS Committee will want to know if he will present the as-is version. The question is whether HRA will fund part of John's trip? He needs to know before 28 Feb. John's boss says NG won't fund his trip, but agreed to ask up the chain when that chain is defined in NG's recent re-org.

One alternative is for John to go on his own nickel, arrange the to-be version with a Singapore university, charge a fee, hope for the best, but cancel if there are insufficient registrations to cover the cost. The spokesperson said to talk to the IS09 Committee about this alternative. John talked to the IS09 Chairman at the IW and the Chairman is willing to provide one POC and advertise the tutorial, but can't provide any other resources.

Thus, in summary, there are 4 possible versions, and maybe more:

1. The as-is 8 hour version with only a free registration (no HRA funding).
2. The as-is 8 hour version partially funded by HRA.
3. The 16 hour version partially funded by HRA.
4. The 16 hour version funded by John by charging a fee (no HRA funding).

Will HRA will fund a portion of John's trip? Does HRA want to be involved as it was in IS07, and if so how? In prior emails regarding the IS08 in Amsterdam, Chris said HRA would consider \$2000.

> [Engineers Club of Hampton Roads](#) -- There is an Engineer's Club on the southside like the PEC is on the northside, and it covers ALL of Hampton Roads. John requests that HRA INCOSE get as involved in it as we are in the PEC. See the flyer extract below:

"On the southside of Hampton Roads, the Engineers Club of Hampton Roads (ECHR) will host their 2009 Engineering Excellence Banquet on February 20, 2009. This annual event celebrates the achievements of Hampton Roads Engineers. It is the culmination of National Engineer's Week activities in the Hampton Roads area. All engineers are encouraged to attend regardless of discipline or membership. Come and enjoy the fellowship and camaraderie as they honor the outstanding engineers in our community. This years Engineering Excellence Banquet will be held at the Town Point Club in Norfolk. For tickets and information contact Rick Martinec at rmartine@vb.gov or (757) 385-8339."

Action Item Mtg Date & A/I #	Due Date	Assigned To	Finish Date	Title - Description
9/23/08 #10	5/20/09	BoD		<u>The BoD needs to review/edit/approve the Tutorial Guide</u> -- This should be completed by the BoD this year. 1/21/09--Carl and Phil suggested that the presenters be paid a set amount based on the length of the tutorial. Tad made the point that just because HRA is hosting, it does not mean that we should bear the weight of all the decisions made. We will table this discussion until after the Spring Conference.
11/19/08 #12	09/30/09	Bill		<u>Purchase HRA Shirts for BoD Members</u> -- Tad seconded golf shirts or professional button down shirts. Bill should get cost on both types. Tad vote: no denim shirts. 1/21/09--Bill needs to determine the artwork format (.ai, .cad, etc.) of the logo needed for the shirts. The BoD agreed that it would be beneficial to have the shirts ready prior to the Fall Conference.
