

INTERNATIONAL COUNCIL ON SYSTEMS ENGINEERING

Huntsville Regional Chapter of INCOSE Officers' Meeting Minutes June 30, 2005

Members present:

President Rick Leonard, Treasurer Joel Thornton, and Vice President Jerry Wocken.

1. Rick is starting to put together the slate of candidates for next year's officers.
2. The discussion covered possible reasons for declining attendance at meetings and possible changes in format and scheduling. No firm decisions were reached.
3. Plans for the next few months include:

July: Meeting changed from 3rd Thursday to Tuesday 7/26, to accommodate the nationally known out-of-town speaker, Ron Kohl, who will talk about Risk Management.

August: No meeting

September 15: Dale Thomas, of NASA, will be the speaker. Location TBD.

October and November: Speakers not confirmed yet. Possibilities include a local or state politician (TBD); Willie Fitzpatrick (subject TBD); local engineering participation in the robotic DARPA Grand Challenge Red Team with Carnegie Mellon University (speaker TBD); and a project manager from one of the more interesting local systems engineering / integration programs (TBD).

December: No meeting

4. Meeting adjourned before dessert.
