

INTERNATIONAL COUNCIL ON SYSTEMS ENGINEERING

Huntsville Regional Chapter of INCOSE Officers' Meeting Minutes August 25, 2005

Eric Schacht, Rick Leonard, and Wanda Carswell to have check writing privileges. Take Jayson and Becky Reed off of the list.

Officers meeting with families in early December, Dec 6 from 6-8 pm at Green Hills Grill.

Jamie Dodson, President-Elect not able to serve. We may appoint someone until December/January elections.

Suggestions: virtual meetings – Webex; have someone set up mini-cells in areas of interest. PMI members get re-certification credit for meetings; maybe we could instigate something like that tied to the INCOSE SE certification. The North Texas chapter is teaching the SE Certification Prep courses. We may consult with them for ideas.

We want to line up speakers through next June.

“Lessons Learned” need to be tracked to solution.

824-6066, Dr. Jim Snyder UAH Systems Engineering director.

Dr. Richard Amos – head director at AAMCOM.

Members present:

Rick Leonard

Wanda Carswell

Larry Smith

Eric Schacht

Jerry Wocken
