This is three blocks east of intersection of 192 and Babcock, on the north side of New Haven Ave. From New Haven turn north onto Platt Street. The church parking lot is immediately on your left. There is also parking next to the church on you right. At the Northern-most section of the facility is a two story building with a set of double glass doors. Above the doors it says "**Life Enrichment Center**". Enter these doors and straight ahead will be a counter with a receptionist. You will need to sign in with the receptionist, who will be aware of the INCOSE meeting. For the café location, go through the door to the right of the receptionist. For meeting room 212 - take the stairs or elevator to the second floor.
