

## OPTIONAL COURSES / EVENTS

### **COO: Prepare for SE Certification with an INCOSE Tutorial** **Saturday / Sunday - June 23 & 24 – 0945-1715 (2-day course)**

Interested in Systems Engineering certification? The Hampton Roads Area (HRA) Chapter of the International Council on Systems Engineering (INCOSE) will present a 2-day tutorial immediately preceding the INCOSE International Symposium. This tutorial provides an overview of the INCOSE SE Handbook to prepare for the INCOSE SE Certification exam. Taught by John Clark, Chief Engineer, Northrop Grumman Defense Mission Systems, the tutorial covers the Certified Systems Engineering Professional (CSEP) process as well as the management and technical sections of the SE Handbook, Version 2a (the current basis for the certification exam), in a study group format.

The tutorial consists of eleven sections from Saturday June 23 through Sunday June 24, from 0945 - 1715 PST. Prior to the tutorial, participants are encouraged to read the appropriate sections of the Handbook available for download free to INCOSE members or \$20 per hardcopy to non-members at <http://www.incose.org/ProductsPubs/products/sehandbook.aspx>

This tutorial is provided through the sponsorship of the HRA Chapter of INCOSE. **Registration is required** and includes a nominal fee of \$350 per registrant to cover INCOSE expenses.

For more information on the CSEP application process, and to apply on-line in advance of the tutorial, see <http://www.incose.org/educationcareers/certification/> or contact John Clark ([john.o.clark@ngc.com](mailto:john.o.clark@ngc.com)).

### **SEA: Systems Engineering and Architecting Doctoral Student Network (SEANET) Workshop** **At the San Diego State University (SDSU)** **Saturday June 23 – 0900-1600** **Cost: \$20/person**

Open to SEANET alumni and students who are enrolled (or will be in Fall 2007) in a doctoral program in systems engineering or related field

Transportation: public transportation will be available from the conference hotel to SDSU  
Participants will receive more information upon registering.

### **INCOSE LATIN AMERICA & CARIBBEAN DINNER** **At the University of San Diego (2 miles from Town & Country Hotel)** **Tuesday, 26 June 2007 - 1900 - 2200** **Cost: \$50/person (Includes transportation from hotel)**

The INCOSE Latin America & Caribbean Initiative is holding its second-ever dinner to promote interest in the expansion of systems engineering in that part of the world. It will be held on the campus of the University of San Diego ([www.sandiego.edu](http://www.sandiego.edu)). The event is open to anyone but we are especially interested in attracting individuals from Latin America & the Caribbean or with interests in the region. For more information, contact Maika Machado [[mmachado@ppi-int.com](mailto:mmachado@ppi-int.com)] or Ricardo Valerdi [[rvalerdi@mit.edu](mailto:rvalerdi@mit.edu)].
