

Lou Wheatcraft

Lou Wheatcraft is a senior consultant/instructor for Compliance Automation, who has over 40 years experience in the aerospace industry, including 22 years in the United States Air Force. Lou has taught over 120 seminars in requirement development and management for NASA's APPEL Program and industry over the past nine years. He has worked with, and provided intact team training and consultation to multiple NASA project teams at many of the NASA Centers.

Lou has had articles published in the International Council of Systems Engineering (INCOSE) *INSIGHT* magazine and in DoD's magazine, *CrossTalk*. Lou has made presentations at NASA's PM Challenge, INCOSE's International Symposium, and at the local Project Management Institute (PMI) Chapter Meetings.

Lou has a BS degree in Electrical Engineering from Oklahoma State University, an MA degree in Computer Information Systems, an MS degree in Environmental Management, and has completed the course work for an MS degree in Studies of the Future from the University of Houston, Clear Lake.

Lou is a member of INCOSE, co-chair of the INCOSE Requirements Working Group, a member of PMI, the Software Engineering Institute, the World Futures Society, and the National Honor Society of Pi Alpha Alpha. Lou is the recipient of NASA's Silver Snoopy Award and Public Service Medal and was nominated for the Rotary Stellar Award for his significant contributions to the Nation's Space Program.
