

## CURRENT MEMBER FIRST TIME LOGGING INTO THE NEW PORTAL

Select SIGN UP Account

The screenshot shows the INCOSE member portal login page. At the top left is the INCOSE logo. To its right is a search bar with the text "ENHANCED BY Google" and a magnifying glass icon. Further right are two buttons: "STORE" with a shopping cart icon and "JOIN" with a heart icon, followed by the text "Login". Below the search bar is a blue navigation bar with a left-pointing arrow and the text "Return to INCOSE Home". The main content area is split into two columns. The left column has a yellow background and contains the heading "Is this your first time here?!", a link to the initial set-up process, a note that it's a one-time process, and a button labeled "SET-UP ACCOUNT ON MEMBER PORTAL". The right column has a grey background and contains the heading "Already set-up your account and verified your email in the new portal?!", a note about the login option's validity, a contact email link, and a button labeled "LOG IN TO NEW MEMBER PORTAL". At the bottom of the page is a teal footer bar with the text "Home / INCOSE - Welcome Members".

## Frequently Asked Questions

Why this big change?

For over a year now, INCOSE has been working to transition from one association management system to a different one. Now that the new one is in place, members must do the one-time set up described above to access the new system. All of your member information has been moved to the new system. The new system will provide INCOSE new functionality, and new system integration capabilities and you'll be seeing those in coming weeks and months.

Does this all affect my INCOSE Microsoft account--the one I used to sign into Yammer, Teams or INCOSE Email?

Once your email is verified, Log in with your email and password.

The screenshot shows the INCOSE login interface. At the top is the INCOSE logo. Below it are two links: "Log In" and "Set Up an Account". There are two input fields: one for email (containing "yours@example.com") and one for password (containing "your password"). Below the password field is a link "Don't remember your password?". At the bottom is a blue button labeled "LOG IN >".

## Enter your full name in the box and select Check for Existing Records

### Welcome!

We tried to find an individual in our database with your email address, but we couldn't. Sometimes people are in our system under an email from a former employer, or another personal account... so before we create a new account for you, we'd like to make sure you're not already in our database.

#### How does this work?

- First, you tell us your full name
- Then, we'll scan our system to see if you might already be in our database
- If so, we'll send a verification code to your email or mobile phone
- If not, we'll go ahead and create a brand new record for you in our database.

## Review the list of potential duplicate records and select if you locate yourself. Otherwise, go ahead and create a new record:

[My Profile Home](#) ▾ [Account](#) ▾ [Membership](#) ▾ [Certifications](#) ▾ [Store](#) ▾

### Any of these look familiar?

Below is a list of the individual records we think might belong to you. Select the first record that looks like it is yours. If no records appear to belong to you, select **None of the Above**.

We didn't find any matches for that name. If you're sure you've never been here before, let's [go ahead and create a new record](#).

**Your account is set up. If you used an email that is associated with a CAB Organization, it will link you with that organization. Select Continue**

## Welcome!

It looks like this is your first time here. Let's get you set up.
