

September 2020 Meeting!

24 September 2020

Global Meet Virtual Meeting and Program

“Synopsis of INCOSE International Symposium (IS) 2020”

*David Takacs – Chapter President
Lockheed Martin*

Abstract

The program will be a synopsis of the IS and will include short reviews of over 20 paper presentations. If you missed the IS, this is a good program to catch up!

Speaker Bio

Dave is the President of the Atlanta Chapter and is a Systems Engineer with Lockheed Martin in Marietta, GA. He received a BS IMGT from Georgia Tech, an MBA from Lindenwood College and a Graduate Certificate in Systems Engineering from Kennesaw State University. Dave is a Systems Engineer in the Air Mobility and Maritime Missions Line of Business (C130, C5, P3) at Lockheed Martin. Prior to this position, he worked several other programs at LM (F-22, ADP). And prior to LM, he was a Systems Engineer for McDonnell Douglas in St Louis, MO (F/A-18, ATF, YF-23, A-12). Dave is an INCOSE ESEP and is an INCOSE Certification Application Reviewer (CAR).
