

Corporate Advisory Board (CAB)

What is a CAB Member?

CAB Members are the customer's voice to INCOSE Leadership' highlighting the Systems Engineering needs.

The CAB helps INCOSE to Investigate important Systems Engineering (SE) challenges facing the industry and government, Shape INCOSE's strategic direction and Identifying and prioritizing the best ways to advance the discipline of SE in industry, science, and academia

Support and mentor INCOSE's more than 50 Working Groups with recommendations for products determining priorities.

Academic Council

Academic Council members form the branch of the Corporate Advisory Board facilitating discussion and exploration of issues relevant to academia and setting a path for achievement with strategic collaborations within INCOSE. Some Academic CAB Membership benefits include:

Opportunity to apply for certification Academic Equivalency for appropriate courses.

Opportunity for internships, externships, and employment offers.

Opportunity to network and collaborate with other academic institutions globally, related to systems engineering.

Research collaborations with other Academic Council member organizations.

INCOSE Corporate Advisory Board (CAB)

CAB Leadership & Meetings

The CAB has a Chair and a Co-Chair. The Chair is a two-year position and is a voting member of the INCOSE BoD. The Co-Chair is elected by the CAB at the International Workshop from those candidates nominated from CAB organizations. The Co-Chair-Elect is installed as the Chair after two years.

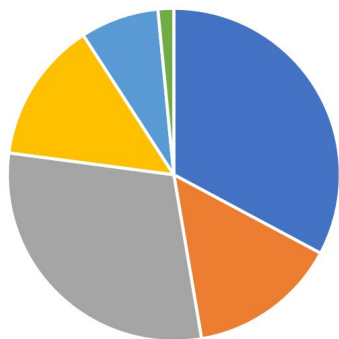

The CAB holds meetings twice a year in conjunction with the International Workshop (IW) and International Symposium (IS). On the months apart from the IW and IS, the CAB holds a regular monthly meeting.

The CAB makes notes and presentation material of all meetings available to the INCOSE Board of Directors. CAB members have access to a dedicated INCOSE website and Viva Engage (previously Yammer) Community.
