3. Click on (view)

The screenshot shows a user interface for a certification system. At the top, there is a header bar with a folder icon, the ID '231607', a user profile icon for 'Danielle DeRoche', and a 'Logout' button with printer and monitor icons. Below the header, there is a breadcrumb link 'Home >' and a main heading 'My Certification(s)'. A table displays certification details:

Program	Status	Effective Date	Expiration Date	
ASEP	Initiated	7/16/2017		(view)

Below the table is a 'Go Home' button.

4. From here, you can view:

- Certification status (lapsed, certified, in progress)
- PDU carry over from previous renewals
- How many references received if application is still in progress
- certification dates
