

# Systems Aspects of Supply Chain Management

## INCOSE Chapter Meeting

International Council on Systems Engineering • Cleveland-Northern Ohio Chapter

Tuesday  
September  
27<sup>th</sup>  
2016

Member Meeting • All Welcome

**Who:** INCOSE Cleveland-Northern Ohio Chapter  
**What:** Chapter Meeting: Systems Aspects of Supply Chain Management

**When:** Tuesday, September 27, 2016, 5:00 – 7:00 PM  
Presentation to begin at **5:30 PM**

**Where:** The Hope Room  
Orange Branch of the Cuyahoga County Library  
31975 Chagrin Boulevard  
Pepper Pike, Ohio 44124

**Speaker:** Stuart Kretch

**Registration Requested:** See Eventbrite link in email or at  
<http://www.incose.org/cleveland/>

**Description:** Stuart Kretch will discuss Supply Chain Management from a systems perspective. He will outline the framework for Supply Chain Management and discuss how it is implemented in practice. He will also present the kinds of outcomes that result and his observations and personal experiences.

**About the Presenter:** Stuart Kretch has been an IT and management consultant for IBM, PricewaterhouseCoopers and Coopers & Lybrand during which he has worked as a Project Manager and in other roles. He has implemented enterprise Supply Chain systems on a global scale at various well-known companies around the world. Currently, he is consulting in IT via Prime Radiant LLC. Quantitative solutions in general and Prescriptive Analytics in particular have been a particular interest of his since high school. He may have missed his true calling when as a high school senior, he implemented an enormously popular one-armed bandit computer game in Orange High School's math office.

*The meeting is **free** and **open** to the public. Please feel free to bring dinner to the event.*
