(You will be contacted if another organization has already chosen this title.)

Sponsoring Organization: _____

(2-3) Judge's Names: _____

(You must provide judges with a checklist or criteria for choosing award winner.)

Award Presenter's Name: _____

Make the **\$350** check payable to: **IEEE Huntsville Section**
Send the check along with this form to:

Alabama Regional Future City Competition
P. O. Box 9018
Huntsville, Alabama 35812

The annual deadline for special award sponsorship is January 10th. All award transactions will be processed by the IEEE Huntsville Section Treasurer.

Past sponsors of the National Engineers Week – National Future City Competition have been Bentley Systems, Shell, and others. Regional first place teams (including the engineer mentor) receive a free trip to Washington, D.C. for the national finals during National Engineers Week. The national champion team receives a free trip to U.S. Space Camp in Huntsville, Alabama. The 2nd place team receives \$1,000 for their school's technology program. A \$500 scholarship for the 3rd place team will be donated to the school's technology curriculum. Special awards are provided by Technical organizations such as: American Ceramic Society, the Society of Manufacturing Engineers, the Assoc. of Energy Engineers, the American Consulting Engineers Council, and U.S. Dept. of Transportation, and others.

- * Virtual Competition held on Zoom and Hosted by **Auburn University**, from 8am - 5pm Sat. January 30th, 2021.
- * Special Awards winners at the Regional level will receive a plaque, certificate and \$150 to the team's class.
- * Special Awards Sponsors receive recognition at competition, and lunch for up to 3 judges.

If you would like to participate in this wonderful experience, choose any of the following ways:

- ___ Be an engineer mentor for a local school
- ___ Be a sponsor of a special award (in the name of your company or technical organization)
- ___ Be a judge for the Alabama Regional Competition
