Thursday, December 1st, 2016
5:30 pm - 7:30 pm
PEMCCO Inc.
1101 Remount Road, Suite 100
North Charleston, SC 29406

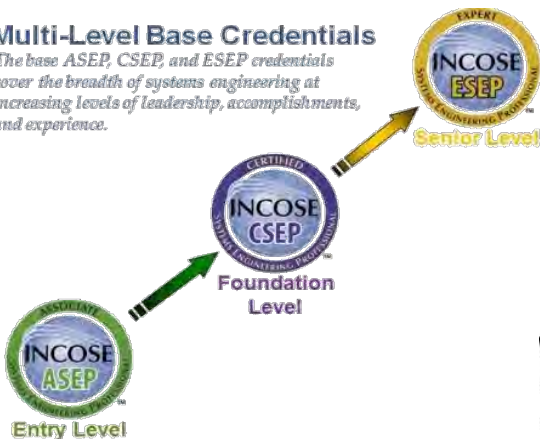

The Charleston Lowcountry Chapter of INCOSE is proud to feature **Mr. Chris Williams** at our monthly meeting. Chris is a graduate of the University of Georgia with a Bachelors in Biology and a Masters in Exercise Science. He has dedicated himself to sharing his story of recovery overcoming adversity from a paralyzing injury and financial ruin.

On July 14 2012, Mr. Williams was in a motorcycle accident that resulted in his neck, back, shoulder, hip, ribs and all ligaments in his right knee being broken and torn. He also suffered a spinal cord injury and was paralyzed from the chest down and was told there was a less than 1% chance he would ever walk again. Through the course of several years, he has dedicated himself to overcoming adversity in both his personal and professional life. He has made an almost complete recovery through endless hard work and dedication. He refused to give up and encourages all others to relentlessly pursue their dreams, no matter the odds.

Please join us for networking, refreshments, and this opportunity to hear from Mr. Williams.

Multi-Level Base Credentials

The base ASEP, CSEP, and ESEP credentials cover the breadth of systems engineering at increasing levels of leadership, accomplishments, and experience.

Please RSVP to: INCOSE.chschapter@gmail.com

\$5 for Chapter Members and \$15 for Non-members

Light refreshments and beverages will be served
