## **Abstract**

The Requirements Working Group (RWG) is the largest INCOSE WG, with over 564 members. The RWG met at the **Annual INCOSE International Workshop (IW)** in January 2020, to develop plans for three new publications. As the current RWG co-chair, Lou will discuss the outcomes of the RWG activities at IW and provide an overview of the following three new products:

- 1) **Needs & Requirements Life Cycle Management Handbook**
- 2) **Guide to Developing & Managing Needs & Requirements**
- 3) **Guide to Verification and Validation**

## **About Our Speaker**

- Lou is an internationally recognized expert in systems engineering with a focus on needs, requirements definition and management and verification and validation.
- Lou has over 50 years' experience in systems engineering, including 22 years in the United States Air Force. He has taught over 200 requirement seminars over the last 20 years, and has published / presented extensively on requirements; e.g., for NASA's PM Challenge, INCOSE INSIGHT Magazine, and Crosstalk Magazine.
- One of Lou's special strengths is his knowledge and experience with requirements across a wide variety of industries; e.g., aerospace, defense, medical devices, consumer goods, transportation, and energy.
