### Need to earn PDUs?

Attending a INCOSE Lowcountry Chapter technical presentation can help!

- CSEPS can earn 1 PDU
- PEs can earn up to 1 PDU

The Charleston Lowcountry Chapter of INCOSE invites members and guests to attend our monthly chapter meeting. This month, the board of directors wishes to receive your input and ideas on the execution of our chapter goals and objectives to “Advance SE in SC”.

The charter for the Charleston Lowcountry Chapter of INCOSE is to foster the definition, understanding, and practice of world class systems engineering in industry, academia, and government. Over the past year, the chapter board of directors has established several goals and objectives that define focus areas and activities that support this charter.

Topics of discussion will include:

- Outreach: What functions support our mission and motto “Advancing SE in SC”?
- Meetings: What topics, formats, presentations will help you practice Systems Engineering?
- STEM: As the Charleston area community of SE professionals, what should we be doing to foster interest in SE? What is our role in the academic community?

Please join us at this important meeting where we begin to chart the course for your Lowcountry INCOSE chapter!

### Multi-Level Base Credentials

The base ASEP, CSEP, and ESEP credentials cover the breadth of systems engineering at increasing levels of leadership, accomplishments, and experience.
