

APTA SE + INCOSE TWG + INCOSE UK RIG Joint Monthly Membership Meeting & Webinar Series

Thursday, October 15th, 2020
2:00pm – 3:30pm (US Eastern Time)
7:00pm – 8:30pm (British Summer Time)
**Note: Earlier Start Time*

Meeting Agenda

1. Roll Call
2. Industry Events and Announcements
 - a. INCOSE Transportation Working Group - Host
 - b. APTA Systems Engineering Subcommittee
 - c. INCOSE UK Railway Interest Group
3. Round Robin

Webinar Sessions

- **Session 1: System Integration & Engineering Standard - Project Update and Document Status (Presented by Dale Brown - Hatch)**
Dale will talk about the APTA-INCOSE collaboration as well as the emerging APTA SIE Standard efforts, initiated from the 2019 APTA Transform Conference.
- **Session 2: MARTA's Transformational Thinking - A Systems Engineering Journey (Presented by Dale Brown - Hatch, and Dave Springstead, MARTA)**
Systems engineering should be considered a means by which transit agencies can successfully deliver projects and meet agency and customer needs. Hear about MARTA case studies that underscore the benefits/successes of an Systems Engineering approach. Dale and Dave will present the extended version of their APTAtech 2020 presentation on MARTA's Systems Engineering journey.
