INCOSE Enchantment Chapter presents SE Scholar's "Systems Engineering Professional (SEP) Certification Exam Preparation" Self-Paced Course

The regional INCOSE Enchantment Chapter is excited to offer another online-based *SEP Certification Exam Preparation Training* through a special deal made with Paul Martin's **SE Scholar**.

Here are the **online course details**:

- The class is **self paced** consisting of 5 modules and over 23 hours of instructional videos covering the entire INCOSE SE Handbook v4.0.
- The price includes study guides, a comprehensive process flow diagram, practice quizzes and exams.
- The material will be provided as PDF so the students can make hard copies as desired.
- There will be a discussion board so that students can collaborate and ask the instructor questions.

The Chapter got a special deal on the course cost ($100 off). Normally the course cost $750 – **Your cost** with this discount [good until 06/30/2022]: **$650.**

Here's the **time line**:

- **Tuesday, April 19, 2022, 5pm MST**: This will be a before-class **live webinar** explaining the INCOSE SEP certification process, allowing members to ask the instructor questions in real-time. Purchase the FREE tickets at SE Scholar's Eventbrite page. Paul will also give attendees free access to his Canvas web portal that supports the webinar, so they can get a feel for what it's like to take the course.
- **April 1 – July 30, 2022**: Buy access to SE Scholar's online Canvas class portal. [Note: You'll have access to the class as long as it takes for you to pass the SEP exam. No time limit – take as long as you need. Even beyond the paper exam.]

Here's how to **register for SE Scholar's "Systems Engineering Professional (SEP) Certification Exam Preparation" Self-Paced Course**:

- Navigate to SE Scholar's Product page and use the discount code *ENCHANTED22* at checkout. This discount code will expire **July 30, 2022**.
