**Survey on use of Enterprise Architecture Frameworks**
Help with this PhD survey. It should take about 15 to 20 minutes of your time. The survey can be completed anonymously online by clicking [here](#).

**IW Foundation Wine Event**
The Corporate Advisory Board is, again, hosting a reception at IW to raise money for the INCOSE Foundation. This social event is made possible because INCOSE chapters and individuals donate the wine we serve, showing off the bounty of their region. Please contact Holly Witte - [holly@univmgmt.com](mailto:holly@univmgmt.com) - to talk about how you may participate as a wine donor.

Definitely plan to attend IW and the Wine Event on January 25, 2014

**Weekend SE Instructors for Veterans Wanted**
A 10-unit course preparing veterans for jobs in SE project management processes needs instructors starting 2014 Q1. Students are officers with bachelor's degrees. Two-day units taught on the weekends by professionally accomplished SEs. Simultaneous student self-study for ASEP/CSEP certification. Choose a unit to teach. Help a vet and hone your knowledge.
Reasonable compensation. Inquire with interest at [instructors@vinewyck.com](mailto:instructors@vinewyck.com)

**Latest news from ABET**
INCOSE's membership in ABET, a non-governmental organization that accredits university programs in applied science, computing, engineering and engineering technology, promises to open new doors for advancing systems engineering education. Eastern and central Europe, Latin America, and the Middle East are designated as areas of emphasis for ABET outreach.
