### Latest News

#### Exhibition Stands Allocated

Stands have been allocated to registered exhibitors – see EMEASEC 2014 website [here](#) for participating exhibitors and available exhibit spaces.

Organisations interested in exhibiting at the conference may contact Francois van de Merwe at +27 82 416 2885 or [sponsorexhibitor@incose-emea.org](mailto:sponsorexhibitor@incose-emea.org). Full details are available in the Sponsor/Exhibitor Prospectus available as a downloadable document on the EMEASEC 2014 [Sponsors & Exhibitors](#) webpage.

#### Sponsorship Opportunities

Attracting substantial international participation, EMEASEC 2014 boasts an impressive 3-day, 4-track technical program, 6 prominent plenary speakers and three educational tours on the 4<sup>th</sup> day. You are invited to make use of this unique platform to pledge your support for systems engineering. Various sponsorship levels are available – see the Sponsor/Exhibitor Prospectus on the [Sponsors & Exhibitors](#) webpage.

#### Free Certification Examination

A free Systems Engineering Professional (SEP) trial exam on the new INCOSE Systems Engineering Handbook version 4 is offered at the conference. This presents a unique opportunity for those who pass the exam to register for ASEP/CSEP certification. Contact Alwyn Smit at +27 82 451 1545 or [alwyn.smit@incose-emea.org](mailto:alwyn.smit@incose-emea.org) to secure your place on this popular event.

#### Notification of Submission Acceptance

Paper, Presentation and Tutorial acceptance notifications commence on 28 July 2014 and a preliminary technical program will be available on 08 August 2014.

#### ECSA CDP Credits

EMEASEC 2014 is registered as a Category 1 Continuing Professional Development (CPD) activity with the Engineering Council of South Africa (ECSA). Validation number INCOSE 14/001/14 for 3 CPD credits has been allocated.

#### EMEASEC 2014 at IS2014

EMEASEC 2014 was successfully promoted at the INCOSE International Symposium, IS 2014 in Las Vegas. Good visibility was ensured with the INCOSE Board of Directors wearing EMEASEC shirts at the icebreaker function. Aide de Memoires in the form of brochures and bookmarks abounded and was well received by IS delegates. Well done to the EMEASEC representatives who attended IS2014!

### About EMEASEC 2014

The ninth biennial Systems Engineering Conference of the Europe, Middle-East and Africa (EMEA) Sector of INCOSE (EMEASEC 2014), formerly the 'European Systems Engineering Conference (EuSEC)', is hosted by the INCOSE South Africa Chapter with the support of other EMEA Chapters. EMEASEC 2014, the first EMEA Sector conference outside Europe, will take place at the Lord Charles Hotel and Conference Centre in Somerset West near Cape Town, South Africa, 27-30 October 2014.

EMEASEC 2014 takes place in lieu of the annual INCOSE SA Conference affording us a unique opportunity to showcase the Systems Engineering prowess of the EMEA Sector and South Africa to the world.

### EMEASEC 2014 Theme

The theme of the Conference, *Systems Engineering – Exploring New Horizons*, is inspired by the Millennium Project commissioned by the United Nations Secretary General in 2002 to develop a concrete action plan to address key global challenges such as poverty, hunger and disease facing humanity across the globe. The conference aims to focus application of Systems Thinking and Systems Engineering theory, principles, processes and tools to the 15 global challenges identified by the Millennium Project.
