

EMEA WSEC 2023
Europe, Middle East, Africa

HYBRID EVENT

Workshop and Conference
Sevilla, Spain - 24-26 April, 2023

Call for Content

The Europe, Middle-East, and Africa (EMEA) sector of INCOSE is delighted to host a joint Workshop and Systems Engineering Conference (WSEC) from 24th to 26th April 2023 at the Barceló Sevilla Renacimiento hotel, in Seville, Spain.

EMEA WSEC 2023 will be held as a hybrid event offering content for both in-person and remote attendees.

The theme for EMEA WSEC is

Engineering a Sustainable World

Inspired by the key role Systems Engineering can play in achieving the United Nations Sustainable Development Goals (UN SDGs), targeting Societal Challenges and focusing on highly complex/chaotic systems aligned with the INCOSE Vision 2035 for a better world.

We would like to invite individuals and organisations to submit content that aligns with the event theme, by the due dates indicated:

- **Full content** (due for submission by January 24, 2023):
 - Papers: See Paper Preparation Guidelines [here](#) and see Paper Template [here](#)
 - Panel sessions: See Panel / Roundtable / Debate Preparation Guidelines [here](#)
 - Tutorials: See Tutorial Preparation Guidelines [here](#)
- **Abstracts only** (due for submission by January 24, 2023):
 - Paperless presentations: See Paperless Presentation PowerPoint Template [here](#)
- **Workshop** (due for submission by February 28, 2023):
 - See Workshop Application Form [here](#)
