

31st Annual INCOSE
international symposium

Virtual Event

July 17 to 22, 2021

Call for (paperless) Presentations

The INCOSE International Symposium is the premier international forum for systems engineering and systems approaches. Participants network, share ideas, knowledge and practices, and learn more about the most recent innovations, trends, experiences and issues in all aspects of systems engineering from world-class thought leaders in the field.

The global pandemic has resulted in unexpected disruptions of many systems. Systems are increasingly expected to rapidly respond to changes in an uncertain environment. This expectation has posed complex societal and technical challenges to be overcome. In tune with this context, the theme for the INCOSE International Symposium 2021 is:

Accelerating through Adversity

INCOSE encourages submissions for paperless presentations on the following (including but not limited to):

Domains

- Autonomous Systems
- Industry 4.0 & Society 5.0
- Biomed/Healthcare/Social Services
- City Planning (smart cities, urban planning, etc.)
- Sustainment (legacy systems, re-engineering, etc.)
- Financial Systems
- Urban Transportation Systems
- Emergency Management Systems

Emphasis Areas/ Topics

- Natural Systems
- Systems Safety
- Systems Dynamics
- Risk and Opportunity Management
- Diversity (cultural boundaries, diverse engineering teams etc.)

Call for Paperless Presentation

Paperless presentations (or just “presentations”) provide the opportunity for practitioners to share their work, novel approaches, or interesting problems addressed without writing a formal paper. Sessions are 40 minutes: 30 minutes for presentation with 10 minutes for Q&A.

Submissions for presentations consist of an abstract of no more than 1000 words. The submission should include the following elements:

- Provide an overview of the topic
- Clearly identify specific related industries
- Provide the benefits the audience will take away from the presentation
- Provide background on the presenter and his/her qualifications to provide the talk

Each submittal will be reviewed by at least 2 members of the INCOSE review team. The Preparation Guidelines and the Evaluation Criteria for Paperless Presentation abstracts, can be found at the symposium website:
