To expand the practice of architecture and advance the body of knowledge

WG GOAL(S)
Standing goals as follows are pursued in conjunction with other bodies as appropriate

- Advance and evolve the body of knowledge on architecture
- Promote the use and practice of architecture
- Share best practices for the use of architecture
- Expand the effort in architecture related standards and specifications

WG SCOPE
The ArchWG will address Architecture in relevant areas (such as Traditional Systems, Enterprises and Software) as it relates to Systems Engineering applied to all levels and types of systems
IW Outcomes

IW Outcomes

1) Review of ArchWG operation and contacts and verify INCOSE email service use
2) Updates of ArchWG participant activities and opportunities not otherwise on agenda
3) Review current status of OMG UAF revision and discuss implications of use
4) Review and discuss ISO/IEC/IEEE 42010 revision draft terms and basic models overview
6) Introduce FEAPO Common Perspective on Enterprise Architecture white paper revision, discussion observed issues and recommendation for revision.
7) Discuss implication of Systems of Innovation Pattern as possible inclusion into white paper
Planned Work past IW

PLANNED ACTIVITIES
