

**Please join us on the next INCOSE Webinar**

---

**When**

Wednesday 15 September 2021 from 11:00am-12:00pm  
EDT (3:00pm-4:00pm UTC)

**Topic**

Agile Systems Engineering Life Cycle Model.

***Speaker***

Rick Dove

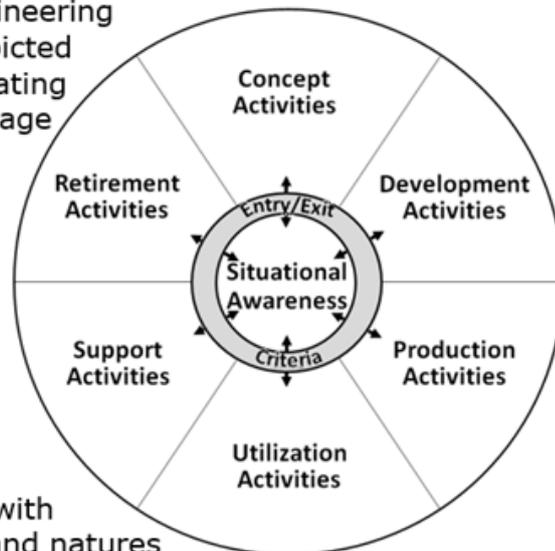

---

## Abstract

**Abstract:** The Agile Systems Engineering Life Cycle Model is graphically depicted as a circle of life cycle stages radiating from a newly recognized center stage of situational awareness.

How can this depiction and its operational management implications help us get better performance from any agile systems engineering process?

This webinar will explore the management implications of the circular agile SE life cycle model, with an emphasis on the critical roles and natures of situational awareness and knowledge management.

## Biography

**Rick Dove** is an independent researcher, systems engineer, and project manager generally focused in the system security and system agility areas; and an adjunct professor at Stevens Institute of Technology in the School of Systems and Enterprises. He chairs the INCOSE working groups for System Security Engineering, and for Agile Systems and Systems Engineering. He is an INCOSE Fellow, and author of Response Ability – the Language, Structure, and Culture of the Agile Enterprise.

## Our Sponsor for 2021:

## How to Connect

**IMPORTANT—WEBINAR MOVE TO ZOOM PLATFORM**

---

**We have moved to the ZOOM platform for INCOSE webinars. One significant change is we recommend attendees join audio now using the ZOOM platform audio (Voice over Internet).**

**Register in advance for this webinar at:**

**[https://incose-org.zoom.us/webinar/register/WN\\_TInAEK-wQSWS2Cuz5VGA1q](https://incose-org.zoom.us/webinar/register/WN_TInAEK-wQSWS2Cuz5VGA1q)**

**After registering, you will receive a confirmation email containing information about joining the webinar.**

**You will also find a copy of the joining instructions on the INCOSE Connect website, at:**

**<https://connect.incose.org/Library/Webinars/Pages/INCOSE-Webinars.aspx>**

## **Notice**

Please note that you can now access the webinar using mobile devices. There are 500 virtual seats available for the webinar. Currently they are available on a first-come, first-served basis.

Zoom can be used to record meetings. By participating in this meeting, you agree that your communications may be monitored or recorded at any time during the meeting.

## **Missed the Webinar?**

If you miss the webinar, you will be able to see a recording of it on INCOSE Connect at <https://connect.incose.org/Library/Webinars/Pages/INCOSE-Webinars.aspx> where you will also be able to view the previous one hundred and fifty-three INCOSE webinars.

Please note you can now receive a PDU supporting certification renewal by attending an INCOSE technical webinar. Here is the link to details about certification renewal, including information on PDUs.

<https://www.incose.org/systems-engineering-certification/certification-faqs>
