

## Finger Lakes Chapter of INTERNATIONAL COUNCIL ON SYSTEMS ENGINEERING

### April 2024 Chapter Meeting

- **Mini Presentation: SE in Early-Stage R&D Working Group (ESR&D WG)**
  - Presented by **Mike DiMario Co-chair.**

#### **Context:**

The purpose of the Systems Engineering in Early-Stage Research and Development (ESR&D) Working Group (WG) is to provide an open forum for the development, application, and dissemination of systems engineering principles, best practices, and solutions using a graded approach to scaling systems engineering applications to ESR&D projects. Scaled systems Engineering in ESR&D will enable higher return-on-investment of pure and applied research to achieve successful productization.

- **Feature Presentation: Cornell University MBSE Project Update:**

- Presented by **Ryan Hughes, Cornell University Post Graduate Student**

#### **Abstract:**

Ryan will present the status on this year's MBSE project at Cornell University.

**This meeting will be on Thursday, April 18<sup>th</sup>, 6 – 7:30 pm (eastern).**
