24/7 On-Demand Viewing
INCOSE Regional Conference Full Program

Through May 17, 2021
24/7 On-Demand Access to All 50 Sessions

SE material from 60+ presenters, co-authors and instructors from over 30 leading SE firms, universities, agencies and MBSE tool providers.

1. Visit Conference Website to Browse Full Program including Abstracts & Presenter/Instructor Bios
2. Purchase 24/7 Access to All Session Recordings, Presentation Slides and Presenter Q&A Portal
3. Select from 50 Technical Sessions, Keynotes, Featured Presentations, Tutorials and Workshops

About This Annual Regional Conference

Celebrating 14 Years – The INCOSE Americas Annual North-Central and Great Lakes Regional Conference (NC-GLRC), previously known as the Great Lakes Regional Conference (GLRC), was established in 2007, making this year (2021) its 14th. The new name for the event was felt necessary due to recent expansion of the Region and its Chapters and members to territories outside the Great Lakes area.

A Chapter Collaboration – The Annual NC-GLRC is an INCOSE not-for-profit event organized by volunteers from the 12 Chapters of the INCOSE Americas Sector North (North-Central and Great Lakes) Region. In addition to providing volunteers, the Chapters contribute financially with sponsorships ranging from $100 to $2000. Each Chapter contributes what they can depending on Chapter age (new/emerging vs. established), size, financial stability, and available of funds. It is this INCOSE Chapter support, along with funds raised from commercial and educational sponsors, that enables the NC-GLRC to offer the event to attendees at exceptionally low prices.

Description of "On-Demand" Systems Engineering (SE) Professional Development Material

Background – Due to COVID-19 the NC-GLRC14, originally scheduled for the Fall of 2020 as an in-person event, was instead offered as a Spring 2021 "All-Virtual" Conference and Workshop on Systems Engineering Competency and Capability. INCOSE events management firm KMD Events was contracted to provide the virtual conferencing IT. The "all-virtual" event was held "live" April 9-17, 2021. *All of the NC-GLRC14 slides and recordings remain available through May 17th.*

On-Demand Program Offering "At a Glance"

NC-GLRC14 "On-Demand" Program Description (Recordings/Slides)	CEUs	Day
5th Annual Systems Engineering Professional Development (SE-PDD) - 8 presentations including Keynote and Sigma Theta Mu Lecture	6	Fri 9
2-Tracks/13 presentations, including Keynote & 2 Featured Speakers	10	Mon 12
5 Tutorials and workshops varying in length: 1.5, 3 and 6 hours - University of Michigan and University of Detroit Mercy - Vitech, Maplesoft, No Magic, Big Lever	16	Tue 13 Wed 14 Thu 15
