Tuesday 26 September 2023 **Bonus** Speaker Meeting:

Operational Analysis and Mission Engineering: A strategy and framework to develop any industrial ecosystem

Robert "Rob" L. Day, Instructor, Caltech Center for Technology & Management Education

Tuesday 10 October 2023 Speaker Meeting: Topic TBD

INCOSE Chapter Engagement: Fabio Silva, INCOSE Brazil

Fabio is a certified systems engineering professional (CSEP) with over 15 years of experience, working in different roles within a product lifecycle, from Field Engineer to Early R&D Systems Engineer with both system developers and end users. He has a bachelor's degree in Electrical Engineering and Specialization in Mechatronics Engineering from Brazilian universities, as well as a Professional Masters in Systems Engineering from Georgia Tech. Involved more actively with INCOSE since 2019, he is the current President-Elect of INCOSE Brasil and member of the INCOSE Technical Leadership Institute. His main interests are on developing solutions to challenges that impact society.
