Bailey Heinonen	
Tenerio Goodwin	
Terry Rector	Aerospace Corporation
Carlos Laguna	OffWorld
Ani Azadkhanian	Northrop Grumman

# Volunteers

## **Call for 2023 Officer Nominations**

Election season is on the horizon, consider joining our leadership team today! Successful organizations such as ours owe their success to the helping hands of our volunteers who take time away from their daily engagements and contribute to INCOSE-LA. We welcome your leadership to bring fresh ideas on technical topics and speakers at chapter meetings and tutorials. Self-nominations welcome.

Rick Hefner, INCOSE-LA Programs Director

# Speaker Meeting: INCOSE System Engineering Handbook Fifth Edition

David D. Walden, ESEP, is co-owner and principal consultant for Sysnovation, LLC, an SE consulting and training firm he formed in 2006. Previously, Mr. Walden was with General Dynamics Advanced Information Systems for 13 years and McDonnell Aircraft Company for 10 years. Mr. Walden was the PM of the INCOSE Certification Program from 2007-2013. He is an INCOSE liaison to ISO/IEC JTC1/SC7 Working Groups 10 and 20 and the lead editor of the INCOSE SE Handbook Fourth Edition. He has an M.S. in Management of Technology (MOT) from the University of Minnesota, an M.S. in Electrical Engineering and in Computer Science from Washington University in St. Louis, and a B.S. in Electrical Engineering from Valparaiso University in Indiana. Mr. Walden was one of the first to earn the INCOSE Certified Systems Engineering Professional (CSEP) credential in 2004 and was awarded the INCOSE Expert Systems Engineering Professional (ESEP) credential in 2011.
