

Speaker Meeting

October 08, 2019

**International Council on Systems Engineering (INCOSE)
Los Angeles Chapter**

Agenda

Time	Topic
5:30 pm	Networking
6:00 pm	Announcements
6:20 pm	Working Group Overview
6:30 pm	<p>“Systems Engineering: An Enabler for Artificial Intelligence”</p> <p>Dr. Rick Hefner, Program Director California Institute of Technology Center for Technology and Management Education</p>
7:30 pm	Adjourn

Welcome!

Thanks for registering in advance

Virtual Networking

- Briefly introduce yourself (e.g., name, title, company)
- Announcement of job openings
 - *Open to anyone!*

Meeting Site Coordinators

Remote Site	Coordinator	Contact
Aerospace Corp. (El Segundo)	Deborah Cannon	deborah.a.cannon@aero.org
Antelope Valley (Palmdale)	Dr. J. S. Shelley	J.Shelley@csulb.edu
California State University, Dominguez Hills	Dr. Antonia Boadi	aboadi@csudh.edu
Ricardo Defense (Goleta)	Paul Stowell	paul.stowell@control-pt.com
Northrop Grumman Corp. (Redondo Beach – <i>Employees Only</i>)	Deanna Regalbuto	deanna.regalbuto@ngc.com
Parker CSD (Irvine – <i>Employees Only</i>)	Luke Blair	Luke.blair@parker.com
Virtual Attendees	Deborah Cannon	deborah.a.cannon@aero.org

Thank You, **Paul Cudney** for registration support at all Chapter events

Welcome New Members!

Name	Organization
Yousef Abdeen	Loyola Marymount University
Joel Miyamoto	Loyola Marymount University
Chase Callihan	Loyola Marymount University
Fawaz Aladwani	Loyola Marymount University
Robert Rtherford	Ricardo Defense, Inc.
Ivan Del Castillo	Loyola Marymount University
Ngoc Fuhr	Loyola Marymount University
Abdulrahman Alkandari	Loyola Marymount University

Total Active Members (not including Associates, as of 10/08/2019):
418

Welcome New Members!

Name	Organization
Michael Cazarez	Loyola Marymount University
Theresa Siri	Loyola Marymount University
Christian Tiong-Smith	Loyola Marymount University
Nathan Santos	Loyola Marymount University
Hawraa Alsairefy	Ricardo Defense, Inc.
Eric Byers	
Christopher Syfacunda	Loyola Marymount University
Neilson Nguyen	

***Do you have any ideas to contribute to how we can improve the Chapter?
Join (or renew) at: <https://www.incose.org/incose-member-resources/join-incose>***

Welcome New Members!

Name	Organization
Candyce Palsis	Loyola Marymount University
Mackenzie Mead	Loyola Marymount University
Jeremy Mazzarella	Northrop Grumman Corporation
Meredith Richter	Loyola Marymount University
Akhila Kaushal	Loyola Marymount University
Alex Esclamado	Loyola Marymount University
Jacob Harbuck	Cal Poly Pomona

***Thank You, [Karen Grothe](#) for providing
valuable membership information at all the
Chapter events***

What You May Have Missed...

WSRC, LMU Los Angeles

Mars Rover Update and Professional Society Expo

Announcements – Upcoming Chapter Events

- Chapter Events
 - Speaker meeting: “Systems Engineering Impact,” John Clark, November 12
 - Currently planning a December event and January 2020 townhall
 - Chapter elections are coming soon

For a list of chapter events, go to: www.incose-la.org, see email notices, and look out for next news letter – coming soon!

***Thank You, Jorg Largent and Scott Birtalan
for spreading the news through the newsletter
and website***

Announcements – Chapter Conferences

18th Annual Conference on Systems Engineering Research (CSER)

Recent Trends and Advances in Model-based Systems Engineering

Mar 19-21, 2020, Crowne Plaza Hotel, Redondo Beach, CA

Important Deadlines

- **November 1, 2019:** Full Papers Due
- **December 15, 2019:** Notification to Authors
- **February 1, 2020:** Final Conference Papers Due
- **March 19, 2020:** Tutorials and SEANET Graduate Students' Forum at USC
- **Link:** <https://cser2020.org/>

Check out upcoming events

Oct 2019	INCOSE & IEEE present SMC19 - Call for Papers! Oct 06, 2019 - Oct 10, 2019 Bari, Italy
Oct 2019	INCOSE-LA Chapter Speaker Meeting - Systems Engineering: An Enabler for Artificial Intelligence with Rick Hefner, Program Director, Caltech Center for Technology and Management Education Oct 09, 2019 - Oct 09, 2019 El Segundo, USA
Oct 2019	EMEA Workshop 2019 in Utrecht, Netherlands Oct 10, 2019 - Oct 11, 2019 Utrecht, Netherlands https://www.incose.org/emeaws2019
Oct 2019	Webinar 132: Fostering MBSE in the Corporate Engineering Culture: The Thales Story Oct 16, 2019 - Oct 16, 2019
Oct 2019	Asia-Oceania Systems Engineering Conference 2019 - Call for Papers Oct 17, 2019 - Oct 19, 2019 Bangalore, India

Oct 2019	INCOSE Free SE Training Webinars Oct 17, 2019 - Oct 17, 2019
Oct 2019	13th Annual INCOSE Great Lakes Regional Conference (GLRC13) Oct 22, 2019 - Oct 25, 2019 Cleveland, USA https://www.incose.org/glrc13
Nov 2019	INCOSE Artificial Intelligence for Systems Engineering (AI4SE) Workshop Nov 12, 2019 - Nov 14, 2019 Madrid, Spain http://www.kr.inf.uc3m.es/ai4se/
Nov 2019	Artificial Intelligence for Systems Engineering - AI4SE 2019 Nov 12, 2019 - Nov 13, 2019
Nov 2019	NTX Meeting: Ken Garlington on Agile (TBD) Nov 13, 2019 - Nov 13, 2019 GlobalMeet, Lockheed Martin

- See what is happening around INCOSE: www.incose.org/
 - **Note: the dates here are not the actual dates of the events, they are dates the event was created.**

Other Announcements?

INCOSE 2019 Election Results

by Christine Kowalski | Oct 08, 2019

The Nominations & Election Committee is pleased to announce the results of the 2019 election. These individuals will join the INCOSE Board of Directors on Saturday, 25 January 2020 when they are installed during the opening plenary of the 2020 International Workshop in Torrance, California.

Position (Term of Office)

- President-Elect (2 years P-E / 2 years President): Marilee Wheaton
- Treasurer (2 years): Mike Vinarcik
- Director for Strategic Integration (3 years): Tom McDermott
- Director for Academic Matters (3 years): Bob Swarz
- Director for EMEA (3 years): Lucio Tirone
- ByLaws Change: Approved

Congratulations to our new officers and directors!

Congratulations, Marilee Wheaton!

Volunteer Opportunities

- Treasurer
 - Manages finances, reimbursements
 - Represents Chapter on financial matters
- Remote site coordinator
 - Coordinates communication with remote sites for speaker meetings
- Networking coordinator
 - Plan networking events
 - Propose new methods to improve Chapter networking
- Membership records management support
 - Support the Membership Director in collecting attendance records and membership matters
- Conference committee members (CESR)
 - Management
 - Technical

Speaker Introduction

Dr. Rick Hefner

California Institute of
Technology
