

Speaker Meeting

June 09, 2020

**International Council on Systems Engineering (INCOSE)
Los Angeles Chapter**

Virtual Networking

- In Skype message window, please provide your **name**, **title**, **company**, and a **one-liner** on what motivated you to join us this evening
- Announcement of job openings
 - *Open to anyone!*

Agenda

Time	Topic
5:15pm	Skype Login, Virtual Networking
6:15 pm	Announcements
6:30 pm	Development of a Design-To-Cost Method using a Sensitivity Algorithm Applied to a Sample Cost Model Mr. Danny Polidi, Ph.D. Candidate, Colorado State University
7:30 pm	Adjourn

Welcome!

Thanks for registering in advance

Welcome New Members!

Name	Organization
Rosa Gragossian	Dassault Systemes
Laura Chamorro	Embry Riddle Aeronautical University
Henry Taylor	Embry Riddle Aeronautical University
Vincy Chan	Booz Allen Hamilton
Matthew Moua	California State University, Long Beach
Richard Jindrach	
Jeffrey Hsu	Mathworks
Julie Bellagamba	SAIC
Nicole Helfenberger	SAIC
Chit Saraswat	Northrop Grumman Corporation

Announcements – Upcoming Chapter Events

- **July 14**, Speaker Meeting: Speaker/Presentation Topic TBD
- **Aug 8**, 3rd Quarter Strategic Planning Meeting
- **Aug 11**, Speaker Meeting: Speaker/Presentation Topic TBD

Events: incose-la.org

Announcements – Upcoming Conferences

IS2020 is going virtual!!

30th Annual INCOSE
international symposium

Cape Town, South Africa
July 18 - 23, 2020

Mark your calendar now!
July 18 - 23, 2020

Announcements – Upcoming Conferences

2020 INCOSE WESTERN STATES REGIONAL CONFERENCE

Celebrating the Sound of Systems Engineering!

September 17-19, 2020 - Seattle, Washington

3-Day of Systems Engineering | Seattle, Washington | September 17-19th, 2020

Click [HERE](#) to see the impact of Covid-19 on the WSRC 2020.

The 3rd annual Western States Regional Conference, hosted by the [Seattle Metro Chapter](#) of INCOSE *Celebrates the Sound of Systems Engineering!* A call that has been heard and responded to in exciting new domains and industries, in which systems engineering and systems thinking have demonstrated contributions to both the technical efficacy and fiscal effectiveness of projects throughout the world.

Announcements – Upcoming Conferences

conference on systems engineering research

Recent Trends and Advances in Model-Based Systems Engineering

18th Annual Conference on Systems Engineering Research (CSER)

October 08 - 10, 2020

Crowne Plaza Hotel, Redondo Beach, CA

New Date: Oct. 8 - 10

For more information:
www.cser2020.org

Theme

The 18th Conference on Systems Engineering Research is focused on exploring recent trends and advances in Model-Based Systems Engineering (MBSE) and the synergy of MBSE with simulation technology and digital engineering. Researchers have submitted papers on MBSE methods, modeling approaches, standards, languages, and economic analyses to respond to the challenges posed by 21st Century systems.

Announcements – Other Local Events

9th Annual Mars Rover Updates and Professional Society Expo

- Date: Sat., Sept. 12, 2020
- Location: Northrop's S-café

Announcements – Regional INCOSE Events

Systems Engineering Culture at AWS.

Wednesday, June 17 @ 6pm

[Systems Engineering Culture at Amazon Web Services \(AWS\) –
June 17, 2020 - June 17 5:45 PM - INCOSE – SAN DIEGO](#)

DevOps Tutorial.

Saturday June 20 from 9am - 2:45pm.

[DevOps Tutorial – June 20, 2020 \(9am-2:45pm PST\) - June 20 9:00
AM - INCOSE – SAN DIEGO](#)

Announcements – Events Around INCOSE

Global events (www.incose.org)

Other SE relevant events to announce?

Volunteer Opportunities

- Social Media and Web page Support
 - Monitors a social media channel (Facebook, MeetMe, ...)
 - Web developer and maintenance
- Networking coordinator
 - Plan networking events
 - Propose new methods to improve Chapter networking
- Membership records management support
 - Support the Membership Director in collecting attendance records and membership matters
- STEM Outreach Volunteers

Be a Speaker!

INCOSE-LA: Call for Systems Engineering Speakers

- Earn points towards your ASEP/ CSEP/ ESEP
- Share your Systems Engineering Work with fellow SEs
- Get your work published in the INCOSE organization
 - Will be made public with your permission
- Socialize your SE efforts to gain potential contributors
- Network

Forward your Presentation Topics/ Material(s) to Nazanin.Sharifi@incose.org

Development of a Design-To-Cost Method using a Sensitivity Algorithm Applied to a Sample Cost Model

Mr. Danny Polidi
