2023 MID-YEAR IMPACT STATEMENT
The International Council on Systems Engineering

Membership

Individual Members
- 11,405 Regular Members
- 547 Senior Members
- 664 Student Members
- 9,443 CAB Associates
- 12,640+ Members
- +2,926 YTD
- +27 YTD
- +202 YTD
- +1 YTD
- +1,051 YTD

Value of Certification

- INCOSE offers three levels of Certification ASEP, CSEP and ESEP.
- Corporations value the INCOSE SEP program for job placements in their companies.
- The value impact of Certification for corporations is greatly desired in new hires.
- Certification is part of the core requirements in over 32 major corporations with 500 job postings that listed key words INCOSE, ESEP, and SEP.

4,132 Total Number of Certifications
- 1,459
- 2,317
- 356

International Symposium

International Symposium 2023
- Attendees from 25 countries
- 1,030 Attendees (759 in Hawaii and 271 online)
- 180+ presentations
- 83 sessions
- 25 application domains
- 3 keynote speakers

International Symposium 2024
- Date: Tuesday, July 2 to Saturday, July 6 2024
- Location: The Convention Centre Dublin, Ireland
**Diversity, Equity, and Inclusion**

**International Women’s Day 2023**

The Empowering Women Leaders in Systems Engineering (EWLSE) Initiative hosted 3 virtual events as part of the global International Women’s Day on March 8, 2023.

The theme for the event was *DigitALL: Innovation and technology for gender equality.*

**EWLSE Events**

- EWLSE 2023 will be held on October 14 following and aligned with AOSEC 2023.
- EWLSE was represented at “Women Advancing Systems Engineering” Conference Day in Israel, January 24, 2023.
- EWLSE produced a presentation for WE2023 (Society of Women Engineers conference) discussing emerging trends in systems engineering leadership.

**Calling All Systems**

**Successful Launch**

Calling All Systems is a series of panel discussions hosted by INCOSE; bringing thought leaders together from around the globe. It successfully launched in March 2023.

- 700+ Attendees
- 10 Panelists
- 30 Countries

**Professional Development Portal**

**Successful Launch**

The Professional Development Portal (PDP) is an index of learning resources for systems engineers, produced by INCOSE and other providers. The PDP has reached its Full Operational Capability.

- 37 Competencies
- 930+ Resources
- 5+ Languages

**Products and Publications**

**Recent Launches**

- Systems Engineering Handbook Fifth Edition
- Smart Cities Initiative
- Natural Systems and the Systems Engineering Process: A Primer
- Realizing Relevance: Stories For Our Digital Era
- Model Portfolio Management Guide
- Human Systems Integration Primer
