2nd Annual
INCOSE NEW ENGLAND
fall workshop
Virtual Edition
October 15 - 16, 2020

Call for Presentations and Training Workshops is Now Open for Our 2nd Annual INCOSE New England Fall Workshop

This year's workshop will have tracks in both Model Based Systems Engineering and System Architecture. Day 1 will have 6x 45 minute sessions for each track with a Q&A session included in each session. Day 2 will have 4x 1.5 Hour workshop sessions for each track. Virtual Cafes will be open during the conference to facilitate participant interchanges on the breaks between sessions.

Find out more at our conference website: https://www.neincose.org/incose-ne-fall-workshop-2020

Topics of Interest include:

Model Based Systems Engineering (MBSE)	System Architecture (SA)
➢ MBSE Practical Applications	➢ System Architecture and Architectural Frameworks
➢ Modeling System Attributes	➢ Applied System Thinking
➢ Integration of Models and Tools	➢ Architecting Complex Systems of Systems
➢ Model Validation Techniques	➢ Architecture Considerations for Human Machine Interfaces
➢ Modeling and Simulation of Complex Systems	➢ Automation in System Architectures
➢ Domain Specific Modeling Techniques	➢ Architecting Resilient Systems

Key Submission Dates:

Day 1 Technical Presentations (MBSE or SA track)
400 word max abstract due.
Submit here: www.neincose.org/submit-abstract

Day 2 Training Sessions
Proposal, including cost due, for either a 3-hour session (2-1.5 hour blocks) or 6-hour session (4-1.5 hour blocks) with 30-minute breaks in between
Submit here: www.neincose.org/submit-abstract-proposal-training

Submissions Due: **1 September 2020**
Materials (PDFs) Due: **30 September 2020**

PDF Materials will be made available to participants in a proceedings download
