

INCOSE Membership Price List – October 28, 2018

Individual Member Fees and Dues

The INCOSE Individual membership fee is defined globally across three distinct categories (Regular, Senior and Student). Members can choose which Chapter they wish to belong to. The proportion of the membership fee retained by Chapters varies depending on whether the Chapter is a Regular (USA and non-MoU) Chapter or a MoU Chapter¹. Membership fees and Chapter dues for 2018 appear in Table 1 below.

PPP-Based Discounted Fees

Effective 01 January 2019, Regular members may, but are not required to, avail themselves of the Purchasing Power Parity (PPP)³-based discounted fees outlined below.

- PPP Band 1. 100% of the Regular member annual fee if the PPP of the country in which they reside is 50% or more of the PPP of the USA.
- PPP Band 2⁴. 75% of the Regular member annual fee, rounded up/down to the nearest \$5 USD, if the PPP of the country in which they reside is at least 25% and is less than 50% of the PPP of the USA.

¹ INCOSE's MoU Chapters are: Australia, France, Germany, Israel, Italy, Netherlands, South Africa, Sweden and United Kingdom.

² The Developing Country discount will be replaced by PPP-based discounted rates from 01 January 2019.

³ PPP is a measure used by the World Bank to assess the relative sizes of the economies of countries.

⁴ Countries of residence that qualify for this discount and which have current INCOSE membership are Argentina, Belarus, Brazil, Bulgaria, Chile, Costa Rica, Greece, Lithuania, Malaysia, Mauritius, Mexico, Poland, Romania, Russian Federation, Thailand and Turkey.

- PPP Band 3⁵ (Transitional). 43% of the standard Regular member annual fee, rounded up/down to the nearest \$5 USD, if the PPP of the country in which they reside is less than 25% of the PPP of the USA. This will be valid from 01 January 2019 until 31 December 2019.
- PPP Band 3. 50% of the standard Regular member annual fee, rounded up/down to the nearest \$5 USD, if the PPP of the country in which they reside is less than 25% of the PPP of the USA. This will be valid from 01 January 2020.

PPP-based membership fees and Chapter dues for 2019 appear in Table 2 below. Note, these fees do not include any additional fee that a Chapter may charge over-and-above the published fee in order to cover additional administrative and professional costs incurred to run the Chapter.

Transition Fees to Regular Member Status

To facilitate the transition to Regular member status for both Student members and Associate members of CAB organisations, a two (2) year transition period offering a reduced membership fee as described in Policy MBR-100 is available. The discounted transition fee is calculated as follows:

- PPP Band 1. 65% of the Regular member annual fee, rounded up/down to the nearest \$5 USD.
- PPP Band 2. 50% of the Regular member annual fee, rounded up/down to the nearest \$5 USD.
- PPP Band 3. No transition discount is offered, as this band already offers a discount of 50% of the Regular member annual fee, rounded up/down to the nearest \$5 USD.

The Regular member transition fees for 2019 are shown in Table 2 below.
