

REC-100: Recognition Awards – 29 January 2020

INCOSE presents awards to recognize outstanding performance and contributions to both INCOSE and the profession of systems engineering. Table 1 itemizes the INCOSE Awards, the purpose of the recognition and the governing policy.

Table 1: INCOSE Awards

Award	Purpose	Governing Policy
Fellows	To recognize INCOSE members who have made significant verifiable contributions to the art and practice of Systems Engineering	REC-101
Outstanding Service	To recognize INCOSE members who have volunteered significant, extended and arduous effort on behalf of INCOSE	REC-102
INCOSE International Symposium (IS) Best Papers	To recognize selected IS papers as “best” in their respective categories.	REC-103
Chapters	To recognize INCOSE chapters and/or individuals within chapters that have made extraordinary achievements	REC-104
Founders	To recognize INCOSE members who have made major contributions to INCOSE	REC-105
Pioneer	To recognize individuals or teams who have contributed uniquely to major products or outcomes that meet or exceed the needs of society	REC-106
Journal Outstanding Paper	To recognize INCOSE members who author outstanding papers published in the INCOSE Systems Engineering Journal	REC-107
Certificates of Appreciation	To recognize INCOSE members and non-members who have made notable individual contributions to INCOSE	REC-108
Working Group	To recognize Working Group efforts and achievements in support of INCOSE’s mission	REC-109

INSIGHT Readers' Choice	To recognize the best issue and best paper published in the INCOSE magazine INSIGHT	REC-110
Benefactor Award	To recognize an individual member or group, who has contributed uniquely to the enhanced reputation and recognition of systems engineering in society-at-large	REC-111
Good Neighbor Award	To recognize INCOSE Chapters who contribute toward the growth and success of fledgling and struggling Chapters	REC-112
Systems Engineering Influencer	To recognize efforts and achievements of a person(s) who has been instrumental in influencing the acceptance, adoption and implementation of Systems Engineering	REC-113
Joint ASEE SED/INCOSE Outstanding Systems Engineering Educator Award	Recognizes an individual, who provides/provided outstanding contributions in the field of systems engineering education and/or the education of systems engineering.	REC-114
Certification Champion Award	The Certification Champion Award is intended to recognize sustained individual or group contributions to the INCOSE systems engineering professional (SEP) certification program, which directly supported the INCOSE certification or professionalization process or directly contributed to equivalent recognition in other countries.	REC-115
Reviewer of the Year Award	This policy outlines recognition by the Journal Awards Committee for peer reviews conducted while processing papers for the INCOSE Systems Engineering Journal.	REC-116

The Recognition (REC) Policies listed in Table 1 should contain the following information regarding their respective award:

- Purpose of the award
- Eligibility or criteria for the award
- If applicable, details about the nomination such as:
 - who is eligible to make a nomination,
 - what is to be included in the nomination package,

- to whom it is to be delivered, and
 - when it is due
- Who approves the award recipient
- Details about the award presentation such as:
 - number of awards that may be presented annually,
 - when and where the award may be presented, and
 - what memento and gifts will be presented to the award recipient

SUPERSEDES: REC-100 dated 26 April 2019

APPROVED BY: INCOSE Board of Directors, Torrance CA, 29 January 2020

POLICY OWNER (RACI RESPONSIBLE R): President-Elect

MAINTAINED BY (RACI ACCOUNTABLE A): President
