

PDD - 402 : Vice-Chair, Fellows Committee

6-Jul-19

Position Description:

The Vice-Chair, Fellows Committee is elected by a majority vote of the current Fellows and then appointed by the President of INCOSE following approval by the Board of Directors. The term of office of the Vice-Chair, Fellows Committee is two years, commencing on 1 December. The mission of the Fellows Committee is to advance the state of the science, art and practice of Systems Engineering. The Fellows Committee shall serve as an action forum to achieve its mission and to expand the service of the Fellows to INCOSE and society.

Responsibilities:

Help the Chair, Fellows Committee to lead the INCOSE Fellows in:

- Advancing the state of the science, art and practice of Systems Engineering
- Establishing expertise groups to advise INCOSE and society
- Developing publications, presentations, and position papers pertaining to systems engineering.

Authority:

To support the Chair, Fellows Committee in

- Advising the INCOSE Board of Directors on future opportunities in advancing the state of the science, art and practice of Systems Engineering
- Proposing new INCOSE fellows to the INCOSE Board of Directors

Accountability:

- Accountable to the INCOSE Board of Directors for conduct of Fellows activities

Required Skills:

- An existing member of the INCOSE Fellows
- Demonstrated dedication to INCOSE's mission, values, and organizational growth
- Demonstrated management experience at the organizational level
- Strong oral and written communications skills
- Able to communicate effectively across international and cultural boundaries

Level of Effort
