
The relationships between Technical Measure Specifications and Requirements elements are captured in the element specifications and containment tree.

Those relationships are displayed and maintained in diagrams and tables as shown above and below.

Technical Measures - Specifications and Requirements - Illustration

#	Name	Documentation	Allocated To	Refines	Applied Stereotype
1	MoeA Specification	Technical measure description		1 MoeA Requirement	moeSpecification [Class]
2	MopA Specification	Technical measure description		MoeA Specification 2 MopA Requirement	mopSpecification [Class]
3	TpmA Specification	Technical measure description		MopA Specification 3 TpmA Requirement	tpmSpecification [Class]
4	KppA Specification	Technical measure description		4 KppA Requirement	kppSpecification [Class]

#	Name	Text	Refined By	Applied Stereotype
1	MoeA Requirement	Shall statement	MoeA Specification	moeRequirement [Class]
2	MopA Requirement	Shall statement	MopA Specification	mopRequirement [Class]
3	TpmA Requirement	Shall statement	TpmA Specification	tpmRequirement [Class]
4	KppA Requirement	Shall statement	KppA Specification	kppRequirement [Class]
