Contact [caitlyn.singam@incose.net](mailto:caitlyn.singam@incose.net) or [csingam@terpmail.umd.edu](mailto:csingam@terpmail.umd.edu) for any questions, comments, or concerns.

## Action items for all:

- Add ideas to the notes capture available at <https://bit.ly/3GVuCv4>
- Fill out: <https://www.when2meet.com/?14608500-qcpSX> if interested in attending a GBM other than the one held on Thursdays @ 10AM ET
  - Scheduling information will be sent out via email and Discord once there are a sufficient number of responses

## Discussion items:

- Logistical items & status updates
  - Status updates: website, INCOSE member newsletter article, when2meet
  - How to access the GBM#1 meeting recording
- Introducing today's working session
  - Recap of GBM#1 key points & clarification of GBM logistics
  - Discussion theme: what does ST/SE competency integration look like in a school district with limited resources?
    - Relevance to current events
    - Focus on making framework recommendations implementable by school districts around the world
- Discussion groups
  - Notes page: [bit.ly/3GVuCv4](https://bit.ly/3GVuCv4)
  - Key discussion points:
    - Recommended changes must require minimal effort to implement
    - Potential way of facilitating integration into curriculum standards: provide traceability matrix for curriculum/content standards
    - Movement from textbooks to online sources may provide more opportunity for SE/ST integration
- Closeout
  - Next meeting: 3/17
  - Recap & action items from current meeting
