Benefits of INCOSE Membership

- Increase your value to your employer or client by expanding your skills toolkit
  - Some companies pay for INCOSE membership and SEP
  - Demonstrate your expertise to your employer or client through certification
    - 2400 SEPs in US
    - 3900 SEPs world wide
    - Companies hire and promote members with SEP certification

- Enhance your network of professional colleagues
  - 18 000 members in 68 countries
- Support Systems Engineering by advancing the practice by contributing to the body of SE knowledge
  - ***Guide to the Systems Engineering Body of Knowledge (SEBoK)***
  - ***Graduate Reference Curriculum for Systems Engineering (GRCSE®)***
- Pay less for valued publications
  - Systems Engineering Handbook
  - Symposia proceedings
  - Requirements Writing Guide
  - Quarterly e-Publication, INSIGHT

- Exclusive access to INCOSE Connect, the collaborative space for Members Only

Summary of Benefits

Membership Benefits Table (V6)

Item	Regular/ Senior/ Life Members	Student Members	Academic Council, Corporate Advisory Board, Associate Members	Non-Members
Member Voting Rights	Included	Not Available	Not Available	Not Available
Working Group Membership	Included	Included	Not Available	Not Available
Chapter Membership	Included	Included	Not Available	Not Available
Member Services	Included	Included	Included	Not Available
Softcopies of …				
Product Previews	Included	Included	Included	Included
eNote	Included	Included	Included	Included
eNewsletter	Included	Included	Included	Included
INSIGHT	Included	Included	Included[1] / List Price via Wiley[1]	List Price via Wiley
Systems Engineering Journal	Included	Included	Included	List Price via Wiley
Past Symposia Papers & Proceedings	Included	Included	Included	List Price via Wiley
Technical Products (released at no charge to members)	Included	Included	Included	List Price via INCOSE Store
SE Handbook	Included	Included	Included	List Price via Wiley
SE Tools Database (SETDB)	Included	Included	Included	Not Available
Technical Positions (Public)	Included	Included	Included	Included
Online Tutorials	Included	Included	Included	List Price via INCOSE Store
Webinars (Informational)	Included	Included	Included	List Price via INCOSE Store
Certification	Available	Available	Not Available	Not Available
INCOSE Events	Discount Price	Discount Price	List Price[2]	List Price
Purchased Hardcopy INCOSE Products (ie: SE Handbook, Vision, Journal)	Discount Price	Discount Price	List Price via INCOSE Store, Wiley, or other publisher/distributor	List Price via INCOSE Store, Wiley, or other publisher/distributor

Next Webinar Showcase - Eric Honour and Systems Engineering Return on Investment

One of the most common questions Systems Engineers receive: How do you justify the effort spent on Systems Engineering? What is the Return on Investment? In this webinar on the INCOSE YouTube channel, Eric Honour explores Return on Investment of Systems Engineering

Systems Exchange Cafe

- The Systems Exchange Café is a virtual meeting run on Zoom. It is based on the idea of a "book club", where attendees come to meeting to discuss a book they agreed to read the time before. In the meeting they raise points raised in the book, debate the issues, and select a book for next time.

  https://www.incose.org/about-incose/community/virtual-cafe

    – This will be a hosted Café using Zoom for the meeting, and we ask you to review these guidelines:
    - The café is open to the public (not just INCOSE members)
    - The discussion will not be recorded
    - The conversation and the topics for discussion set and go in whatever direction the attendees want
    - Debate and exchange of opinions is the purpose of the discussion, but it is expected
    - Attendees will treat the opinions of others with respect
    - Please do not dominate the meeting, but let all have a say
    - The use of the chat function in Zoom is encouraged, and if this starts further contact / discussion (separately) between attendees then that is a desirable result
    – Each Café meets every two weeks, and are on different days and an different times from each other. Click the links below to see the dates and times for each cafe, and select the one(s) that fit your schedule.

      Fir Tree Café: (Wednesday 8am Japan, 9am Australia, Tuesday (day -1) 4pm US Pacific , 7pm US East) click here to register
      Oak Tree Café: (Wednesday 8am UK, 9am Europe, 12:30pm India, 5pm Australia) click here to register
      Maple Tree Café: (Friday 8am US Pacific, 11am US East, 4pm UK, 5pm Europe) click here to register
