

INCOSE SEP (Systems Engineering Professional) Certification Program

Program Summary

How to: Register for an exam (before or after applying for certification)

Step 1:

You must have an INCOSE account (not necessarily a member at this step).

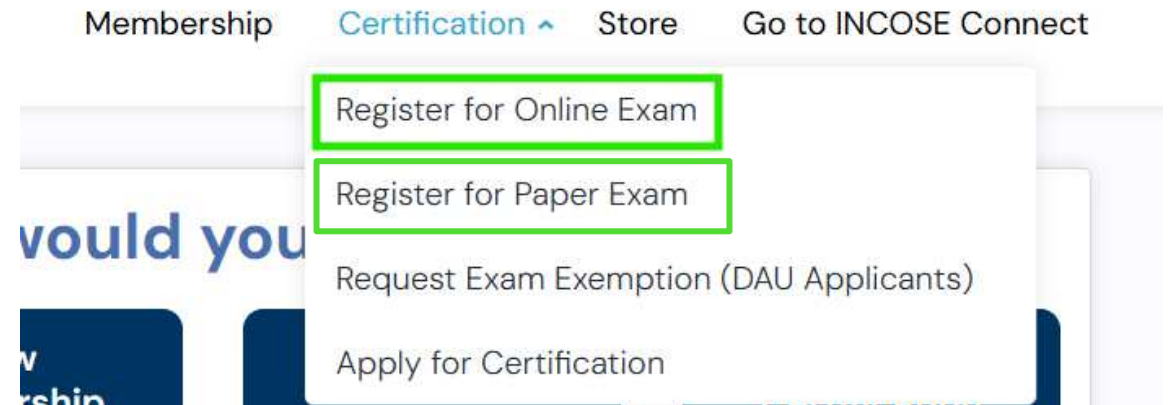

Log in to www.incose.org and click on “**Manage Account**” (at the top right of the screen).

From the banner menu, click on “**Certifications.**”

Step 2:

Select either “**Register for Online Exam**” or “**Register for Paper Exam**” using the drop-down menu.

How to: Register for an Online Exam (before or after applying for certification)

Step 3:

Complete the registration questions and selections. Click “Submit.”

In 3-5 days, you will receive an e-mail with instructions to pay and schedule the exam.

Register for the Online Exam – complete the fields below:

Are you a non-native English speaker and would you like to request additional exam time?

(None) ▼

Do you have a health condition or learning difference for which you would like to request additional exam time? By selecting “Yes”, you may be asked to provide explanation and confirmation of your need.

(None) ▼

Submit

Step 4:

Log In to TESTWise and schedule the exam.

A screenshot of the INCOSE exam registration interface. At the top is a dark blue header with the word "INCOSE" in white. Below this is a light gray box containing the title "INCOSE exam for ASEP and CSEP v5 - Standard". Under the title, there is a label "Email Address" followed by a blue information icon. To the right of the label is a white text input field with a blue border. Below the input field is a dark blue button with the word "Continue" in white.

The Scheduling Guide provides all details and instructions you need for scheduling your exam.
