Transition Overview

- INCOSE is now supporting SysML v2 transition efforts
 - Collaboration with OMG/EDMA, OpenMBEE, and INCOSE
 - Backed by OUSW(R&E), INCOSE CAB, INCOSE TechOps
 - Currently working up a charter
- What to expect
 - Recurring, public facing, webinar series to inform the community on progress, resources, and examples
 - Transition and maintain existing guidance from OUSW(R&E)
 - INCOSE GitHub site
 - Identify opportunities to improve and extend guidance
 - Focused special Webinars for tutorials
 - OCSMP certification discount
 - Information and demos from tool vendors

Collaborating Across the Community
