

**Please join us for the SE Laboratory's  
upcoming Demo Day!**

---

**'Demo Days' are a new webinar style  
offering intended to give the Tool Vendors  
in the SE Laboratory the opportunity to  
showcase their tool(s), offer best practices,  
and answer any questions that you might  
have live.**

**When**

**Monday, 4 November 2024 from 11:00am-12:00pm EST  
(16:00-17:00 UTC)**

**Topic**

**Overview of the Ansys Digital Engineering solutions in the  
INCOSE SE Lab**

**Speaker**

**Scott Ragon, Principal Product Manager at Ansys**

## Abstract

Ansys will provide an overview of the six tools they offer as a free trial in the SE Lab. They'll offer a very brief introduction to each of them with an opportunity for Q&A at the end. Deep dive sessions will follow.

## Biography

**Dr. Scott Ragon** holds a Ph.D. in Engineering Mechanics from Virginia Tech and has over 25 years of engineering, modelling and simulation, and design optimization experience. Dr. Ragon worked at Phoenix Integration for 17 years before joining Ansys in 2021. He is currently the Product Manager for MBSE at Ansys.

## How to Connect

Register in advance for this webinar at: [https://incose-org.zoom.us/webinar/register/WN\\_wMYozGN7RquFpxyVH0Uwlw](https://incose-org.zoom.us/webinar/register/WN_wMYozGN7RquFpxyVH0Uwlw)

After registering, you will receive a confirmation email containing

---

information about joining the webinar, including a hyperlink that will activate 30 minutes before the start of the webinar. We recommend attendees join audio using the ZOOM platform audio (Voice over Internet).

## Become an INCOSE Member!

Whether you are a student, an early-career professional, or a senior member of the systems engineering community, INCOSE provides a membership level appropriate for your participation. [Join us today!](#)

## Notice

Please note that you can now access the webinar using mobile devices. There are 1000 virtual seats available for the webinar. Currently they are available on a first-come, first-served basis.

Zoom can be used to record meetings. By participating in this meeting, you agree that your communications may be monitored or recorded at any time during the meeting.

## Missed the Webinar?

Don't worry, the recording will be made available through the [INCOSE Professional Development Portal \(PDP\)](#) within two weeks after the air date. The entire catalog of the INCOSE Webinar series is available through the PDP; use the browsing function and select "Webinar" to view all the previous recordings.

Please note you can now receive a Professional Development Unit (PDU) supporting your certification renewal by attending an INCOSE technical webinar. [Click here](#) to learn more about certification renewals and PDUs.
