

## **Please join us for the SE Laboratory's upcoming Demo Day!**

---

**'Demo Days' are a new webinar style offering intended to give the Tool Vendors in the SE Laboratory the opportunity to showcase their tool(s), offer best practices, and answer any questions that you might have live.**

### **When**

Monday, 18 November 2024 from 11:00am-12:00pm EST  
(16:00-17:00 UTC)

### **Topic**

Connect Analysis to Models and Verify System Requirements Early with ModelCenter

### **Speaker**

Brian Brown, Product Sales Executive at Ansys

---

## Abstract

Our 3rd session is about Ansys ModelCenter®, a vendor-neutral software platform for creating and automating multi-tool workflows, optimizing product designs, and enabling Model Based Systems Engineering (MBSE). It is used by leading organizations worldwide to reduce development costs, improve engineering efficiency, stimulate innovation, and design more competitive products.

## Biography

**Brian Brown**, Systems Lead for the Americas. Responsible for the go-to-market motions with Ansys' new SysML v2 modeler and Ansys' other MBSE solutions. Brian's been supporting engineering and analysis for 12 years. Prior, Brian's career spanned a decade with Army Aviation as a UH-60 Blackhawk aviator and commissioned officer.

---

## How to Connect

**Register in advance for this webinar at:** [https://incose-org.zoom.us/webinar/register/WN\\_mbQ\\_9BknQZe\\_ST3Wh-Rr1A](https://incose-org.zoom.us/webinar/register/WN_mbQ_9BknQZe_ST3Wh-Rr1A)

After registering, you will receive a confirmation email containing information about joining the webinar, including a hyperlink that will activate 30 minutes before the start of the webinar. We recommend attendees join audio using the ZOOM platform audio (Voice over Internet).

## Become an INCOSE Member!

Whether you are a student, an early-career professional, or a senior member of the systems engineering community, INCOSE provides a membership level appropriate for your participation. [Join us today!](#)

## Notice

Please note that you can now access the webinar using mobile devices. There are 1000 virtual seats available for the webinar. Currently they are available on a first-

---

come, first-served basis.

Zoom can be used to record meetings. By participating in this meeting, you agree that your communications may be monitored or recorded at any time during the meeting.

## Missed the Webinar?

Don't worry, the recording will be made available through the [INCOSE Professional Development Portal \(PDP\)](#) within two weeks after the air date. The entire catalog of the INCOSE Webinar series is available through the PDP; use the browsing function and select "Webinar" to view all the previous recordings.

Please note you can now receive a Professional Development Unit (PDU) supporting your certification renewal by attending an INCOSE technical webinar. [Click here](#) to learn more about certification renewals and PDUs.
